

AREL CO & HOLDINGS SASU is a company incorporated under Congolese law and registered with the Lubumbashi Trade and Personal Property Credit Register (RCCM). Its registered office is located at 3 Avenue de la Victoire, in the municipality and city of Lubumbashi, in the Province of Haut-Katanga, in the Democratic Republic of Congo.

AREL CO & HOLDINGS SASU offers a full range of transport services to meet all its customers' needs, whether for the transport of goods, people, or both; and aims to be a leader in the management of trucks and goods.

AREL is committed to working closely with its customers to offer innovative solutions tailored to their needs, and to ensure efficient management of their supply chains.

To become the leader in logistics, transport and the management of vehicle fleets and goods by facilitating the connection of several regions of the globe in the shortest possible time.

OUR SERVICES

LOGISTICS

We provide reliable and efficient logistics solutions to meet our customers' needs.

To this end, we offer comprehensive supply chain management services, including warehousing, inventory management, distribution management and transport management.

We specialise in import/export on the trade route between the Democratic Republic of Congo and the Republic of South Africa, including all countries along the road. We also handle local logistics in the former Katanga Province and throughout South Africa.

We are equipped to meet the specific requirements of each customer, and we pride ourselves on our commitment to excellence and customer satisfaction.

TRANSPORT

We have Van Expresses for fast consignments and 15T and 32T trucks, known as supa link, for larger consignments.

TRANSPORTATION OF PEOPLE

TRANSPORTATION OF GOODS

TRUCK AND FREIGHT
MANAGEMENT

We are committed to providing safe and reliable transport solutions to meet our customers' passenger transport needs.

We provide public transport and agency transport to remote locations, using a fleet of vehicles adapted to transport groups of people of different sizes and classes. We transport a wide range of goods, including chemicals, pipes, building materials, fuels, food and other natural products.

We offer a full range of truck and freight management services.

GENERAL TRADING

Our company offers a wide range of products to meet the needs of our customers in different sectors. We provide complete business solutions including building materials, fans, filters and other technical instruments to meet the requirements of different industrial sectors. We also offer a comprehensive range of high-quality agricultural machinery to support the farming sector.

In addition, we provide high quality products and reliable services in both the Democratic Republic of Congo and South Africa to ensure customer satisfaction, thanks to our experienced and professional team.

We pride ourselves on our commitment to excellence and strive to meet our customers' needs effectively and efficiently.

HIGH QUALITY PRODUCTS AND RELIABLE SERVICES!
